Board of Directors  
Faculty Associates, Inc.  
Gainesville, Florida

### Report on the Financial Statements

We have audited the statements of net position, statements of revenues, expenses, and changes in net position, and the statements of cash flows of Faculty Associates, Inc. (the Corporation), a component unit of the University of Florida, as of and for the years ended June 30, 2018 and 2017, and related notes to the financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of June 30, 2018 and 2017, and the changes in financial position, and cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

*Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Corporation's basic financial statements. The supplementary information on page 13 is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued a report dated September 21, 2018, on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

***Total Net Position***

The total net position was \$19,518,318 and \$15,876,747 as of June 30, 2018 and 2017, respectively. This reflects an increase of \$3,641,571 or 22.94% from the prior year.

***Current Ratio***

The Corporation's current assets of \$19,830,467 were sufficient to cover current liabilities of \$312,149, as the current ratio was 63.53 and 66.32 as of June 30, 2018 and 2017, respectively.

**INCOME STATEMENT**

***Operating Revenues***

Gross operating revenue was \$22,572,840 for the fiscal year ended June 30, 2018, as compared to \$22,065,812 for the previous fiscal year, representing an increase of \$507,028 or 2.30%. Patient fees accounted for 100% of this total.

***Operating Expenses***

All operating expenses are now processed through related University funds, with the exception of credit card fees and the provision for bad debts. Operating expenses remained comparable year over year at \$359,220 versus \$333,412 for the fiscal years ended June 30, 2018 and 2017, respectively.

***Transfers***

The \$3,641,571 change in net position can be attributed primarily to increases in operating revenues. Although patient visits in Gainesville, St. Petersburg, and Hialeah decreased slightly from 132,044 in 2017 to 129,434 in 2018, (a decrease of 1.98% primarily attributed to hurricane closures), the average charges per case increased positively impacting operating revenues.

**DEBT ADMINISTRATION**

**ECONOMIC FACTORS AND CHANGES IN BUSINESS**

The following economic factors are expected to have an impact on operations during the fiscal year that will end June 30, 2019.

- The college will continue to work with UF Health to incorporate a preventive dentistry component into GatorCare to encourage College of Medicine faculty and family members to utilize clinical services at the College of Dentistry.
- Planning is underway to transition the management of the NCEF Pediatric Dental Center in Naples. This will positively impact clinical revenues but will result in a commensurate decrease in contract revenues. There will also be increased marketing and operational costs associated with the transition.
- Planning is underway to launch a new dental center, UF Health Dentistry at Wildlight in Yulee, FL in collaboration with UF Health. This new ambulatory care center is slated to launch in October, 2019, thus, no patient revenues are expected in FY19. However, a significant investment in equipment and travel is expected during the fiscal year ending June 30, 2019, in preparation for the opening of the dental clinic.
- Continued recruiting of new clinical faculty in FY19 will have a positive impact on faculty clinical practice and associated clinical revenues. A new compensation plan for these practicing faculty is being evaluated and if implemented, should result in an improved net position of the practice.
- A centralized screening clinic planned for FY19 should improve patient flow and reduce the number of patients lost to attrition when they are not suitable for DMD clinics since they will be referred to UFCD resident or faculty clinics.
- Continued economic improvement is expected to positively impact Faculty Associates, Inc. There will continue to be a focused effort to improve collections, reduce bad addresses and the amount of accounts sent to collections; this should have a positive impact on clinical revenues and collections across the enterprise.

**FACULTY ASSOCIATES, INC.**  
**GAINESVILLE, FLORIDA**  
*(Continued)*

**Note 2 - Summary of Significant Accounting Policies (Continued)**

**Accounts Receivable**

Accounts receivable are reported net of an allowance for uncollectible accounts. The allowance for uncollectible accounts is established by charges to income through the provision for uncollectible accounts.

The allowance is based on experience, third party contracts, and other circumstances, which may affect the ability of patients to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms.

Accounts are considered past due after 120 days and are to be sent to a collection agency at that time. Accounts totaling \$1,047,099 and \$711,058 have been sent to collection agencies during the years ended June 30, 2018 and 2017, respectively. It is the Corporation's policy to charge off all uncollectible accounts receivable that become two and one-half years old.

**Revenues**

Revenues are derived principally from professional fees charged to patients through the faculty practice, graduate, and undergraduate clinic of the University of Florida Health Science Center and the University of Florida Dental Clinics at St. Petersburg and Hialeah. Professional fees are recorded on the accrual basis of accounting at the estimated net realizable amounts to be received from patients, third party payors, and others for services rendered.

**Expenditures**

Expenditures are recognized on the accrual basis of accounting. Payment of salaries and purchases of equipment and supplies are accomplished through the University of Florida Transfers from Component Units Fund.

**Donated Services**

The Corporation occupies space at the University of Florida College of Dentistry and is assisted by employees of the University. These expenses are paid out of component unit funds that are reported outside of the Faculty Practice.

**Income Taxes**

It is the policy of management to evaluate its tax positions on an ongoing basis and to disclose any such positions it believes would have a material impact on the financial statements and related notes. Management also believes that no such required disclosures currently exist.

The Corporation is subject to U.S. federal or state income tax examinations for the previous three years. If applicable, the Corporation would recognize interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expense.

Board of Directors  
Faculty Associates, Inc.  
Gainesville, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Faculty Associates, Inc. (the Corporation), component unit of the University of Florida, as of and for the year ended June 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated September 21, 2018.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph in this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*  
(Concluded)**

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Governmental Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
