FLORIDA PREPAID MANAGEMENT FORM

STUDENT NAME (Print): _____ UFID: _____

EFFECTIVE SEMESTER: _____

As an eligible Florida Prepaid student, you have the right to elect not to use your FLPP plan in any term you want. This process is called "opting out". You have the option to opt out on your one.uf for the current term or to cancel an opt out selection. This must be completed prior to the fee payment deadline of that term. Only one term will be available on-line for opting out at any given time.

If your FLPP plan was purchased before 2008, you are waived from the UF differential fee of \$44.17 per credit hour each term you use your Prepaid. Choosing to opt out of one of these plans will adjust your tuition to include the \$44.17 per credit hour differential fee.

You must go online to your one.uf, or ask the Bursar for this form, **each term** you wish to opt out of using your Florida Prepaid. You must fill out this form **each term** you wish to adjust your billed hours.
