AWARD INTEGRATION

You have a fully executed award... let's get to spending!

C&G will integrate your award into myUFL. We will assign:

- KK level
- Chartfield / combo code

KK Levels

Why are KK levels important to me?

The KK level is the indicator for the type of spending restrictions your project has:

- **KK Level 3** allows broad rebudgeting flexibility
- **KK Level 5** imposes restrictions on rebudgeting.
- **KK Level 6** has very restrictive rebudgeting language

Fiscal Monitoring

Monitoring differs from reconciliation.

Monitoring is the added layer to ensure that sponsored project expenses conform to sponsor terms and conditions and benefit the defined scope of work.

The navigation and information are geared specifically to principal investigators (PIs) with additional details available to administrators to assist with monitoring sponsored projects.

The tool is accessible through myUFL or directly at <https://myinvestigator.erp.ufl.edu>

AWARD MODIFICATIONS

*What might need to change along the way?

*Award Modifications in UFIRST include Prior Approval Requests and Internal Changes

AWARD MODIFICATIONS

We must request approval BEFORE making the anticipated change. Ask for permission rather than beg for forgiveness.

- Carryover
- Change in PI
- No Cost Extension
- Change of Scope, etc...

*Remember, the UFIRST entry matches the sponsor baseline for the life of the award

Research Lifecycle: Close Award

- The key feature to any closeout is the on-time submission of all technical, financial, and other required reports to the sponsor.
- The department plays an important role in closeout! It is essential to:
 - begin reviews early
 - ensure charges are posted timely
 - ensure corrections are made timely
 - close any open encumbrances in a timely manner
- For more information about closeout, please refer to the UF Research webpage

<https://research.ufl.edu/dsp/award-closeout.html>

Budget Activity #2

Your PI has a \$125,713.06 contract with the Florida Department of Agriculture and Consumer Services that is currently set up as KK 5. You review the contract and see the following language:

“If the cumulative budget transfers from one approved budget category to another approved budget category meet or exceed 10%, prior approval, evidenced by contract amendment is required. Prior approval, evidenced by contract amendment, is required for: 1.) any transfers from an approved budget category to an unapproved budget category. An unapproved budget category is defined as having no funds allocated in the original Budget Plan. 2.) Any equipment purchases not noted in the original Budget Plan and/or Scope of Work.”
