### 5-Steps to Activate Your Card

1. Create an account online at **usbankfocus.com**, call **888-863-0681**, or download the **U.S. Bank Mobile App** (search for **U.S. Bank** from your iPhone® or Android™ phone).
2. Enter 16-digit card number.
3. Enter 3-digit CV2 code found on back of card.
4. Enter your zip code.
5. Create a 4-digit PIN number to use for cash withdrawals at ATM or PIN-based purchases.  
*Note: If asked to enter a phone number, skip this step.*
5. Sign your name on back of card with ink.

## Did You Know?

- Use your card to make purchases everywhere Visa® debit cards are accepted.
- Get cash at any ATM, bank, or credit union or get cash back with purchases at participating merchants such as grocery or convenience stores.
- Earn rewards by using your card at certain stores and restaurants, after activating the offers that you want – no promotion codes or coupons needed.
- If you're receiving additional funds as a research participant, your prepaid debit card is reloadable. Retain for additional payments to be issued.

## Track Your Spending

- Check balance, view recent transactions, and sign up for alerts when money is added, a purchase is made, or when your card balance gets low at **usbankfocus.com**.
- Quickly see your account balance and transaction history from your smartphone. To **download the mobile app**, search for **U.S. Bank** from your iPhone® or Android™ phone.

## Lost or Stolen Card

Call Cardholder Services at **888-863-0681** to report your card lost or stolen. A replacement card will be sent to your home address within 7-10 business days.
