INDEPENDENT AUDITOR'S REPORT

Board of Directors
Cattle Enhancement Board, Inc.
Kissimmee, Florida

We have audited the accompanying financial statements of the business-type activities of Cattle Enhancement Board, Inc. (the Board), a component unit of the University of Florida, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Board's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in the *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Board's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Board as of June 30, 2021, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Board's 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 18, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 and 4 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 9, 2022, on our consideration of the Board's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Board's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Board's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

INTRODUCTION

The University of Florida Cattle Enhancement Board, Inc. (the Board) discussion and analysis is designed to assist the reader in focusing on significant issues, provide an overview of the financial activities, identify changes in financial position, identify any material deviations from the financial plan, and identify issues and concerns. Since the Management's Discussion and Analysis is intended to focus on the current year's activities, resulting changes, and currently known facts, it should be read in conjunction with the financial statements attached.

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements include the Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position, which provide information about the activities of the Board and present a long-range view of the Board's financial position. The Statement of Cash Flows provides information regarding cash used in activities of the Board.

The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data. Since these notes are an integral part of the financial statements, they should be read in conjunction with the financial statements in order for the reader to have a clear understanding of the Board's activities and performance.

FINANCIAL ANALYSIS

THE STATEMENT OF NET POSITION

The Statement of Net Position reflects the assets and liabilities of the Board, using the accrual basis of accounting, and presents the financial position of the Board at a specified time. Net position, the difference between total assets and total liabilities, is one indicator of the Board's current financial condition. The changes in net position that occur over time indicate improvement or deterioration in the Board's financial condition. The following summarizes the Board's assets, liabilities, and net position at June 30:

	Net Position	
	2021	2020
Total Assets	\$ 415	\$ 448,738
Total Liabilities	\$ -	\$ 448,326
Net Position	\$ 415	\$ 412

Total assets decreased by \$448,323, the biggest component of this change was due to decrease in due from State Appropriations in the amount of \$322,615 and decrease in cash and cash equivalents by \$116,169.

MANAGEMENT'S DISCUSSION AND ANALYSIS

STATEMENT OF REVENUES, EXPENSES, AND CHANGES IN NET POSITION

The Statements of Revenues, Expenses, and Changes in Net Position present the revenues earned and expenses incurred during each year. The revenues and expenses are related to providing services related to cattle research projects.

	<u>Change in Net Position</u>	
	<u>2021</u>	<u>2020</u>
Revenues	\$ 115,033	\$ 639,082
Expenses	\$ 115,030	\$ 639,005
Change in Net Position	<u>\$ 3</u>	<u>\$ 77</u>

The revenue decreased by \$524,049 due to reduction in state appropriations funding for fiscal year 2021. The expenses decreased proportionally due to funding decrease by \$523,975. Decrease is related to cattle research projects, cattle marketing and promotion, administrative expenses, and professional services.

SUMMARY OF CASH FLOWS

The decrease in cash flow in the current year is due to impact of reduced state appropriations funding for Cattle Research projects.

ECONOMIC FACTORS THAT WILL AFFECT THE FUTURE

The Board has not received funding from the Florida Department of Agriculture and Consumer Services Division of Administration for the 2020-21 fiscal year due to reduction in State funding towards this program. Future funding is dependent on legislative actions; however, the Board will continue to disburse remaining available funding in FY22.

CONTACTING MANAGEMENT

This financial narrative is designed to provide you with a general overview of the Board's finances and to show accountability for the various revenues we receive. If you have questions about this report or need additional financial information, please contact the Board's office at (863)287-8591.

CATTLE ENHANCEMENT BOARD, INC.
NOTES TO FINANCIAL STATEMENTS
KISSIMMEE, FLORIDA

Note 1 - Nature of Organization and Summary of Significant Accounting Policies

Reporting Entity

The University of Florida Cattle Enhancement Board, Inc. (the Board) is a direct support organization as provided for in Section 1004.28, Florida Statutes, and is considered a component unit of the University of Florida. The Board was formed as a not-for-profit organization in the State of Florida to promote the Florida cattle industry, including but not limited to production, disease prevention, forage development, and genetic research and to make contributions to and confer benefits upon the University of Florida.

Basis of Accounting

The Board's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. These financial statements are entirely those of the Board alone and, accordingly, are not intended to present the financial position or the results of operations of the University of Florida. Pursuant to Florida Senate Bill 4, the Board's financial statement presentation follows the recommendations contained under guidance provided by the Governmental Accounting Standards Board (GASB) Statement No. 29.

Under GASB Statement No. 35, for financial reporting purposes, the Board is considered a special purpose government engaged only in business-type activities

Classification of Revenues

The Board classifies its revenues as operating or non-operating according to the following criteria:

- **Operating Revenues**
Include activities that have the characteristics of exchange transactions, such as grant revenue.
- **Non-Operating Revenues**
Include activities that have characteristics of non-exchange transactions, such as investment income.

Net Position

The Board's net position is classified as follows:

- **Unrestricted**
Represents net position that is not restricted for any purpose and available for current operations. All of the Board's net position is unrestricted.

Donated Services

The Board occupies office space at the Florida Cattlemen Association office and is assisted by employees of the University of Florida. The Board also receives donated services from the officers and members of the Board of Directors. Since there is no clearly measurable basis to value these contributed services and facilities, no value for such services and facilities is recorded in the accompanying financial statements.

Cash

Cash represents deposits held with financial institutions.

CATTLE ENHANCEMENT BOARD, INC.
NOTES TO FINANCIAL STATEMENTS
KISSIMMEE, FLORIDA

Due from State Appropriation

Due from state appropriations consist of amounts due to the Board from the state in accordance with executed contracts with the Florida Department of Agriculture and Consumer Services Division of Administration. Amounts due represent reimbursement request for expenses incurred before June 30, 2021.

Due to Grantees

Due to Grantees consists of amounts due to grantees or contract vendors for expenses incurred as of June 30, 2021.

Capital Assets

All capital assets purchased through grant funded projects are approved by the Board and recorded by the organization conducting the research project. The Board does not include these capital assets on their statement of net position and the costs of additions incurred by the Board are expensed as incurred.

Revenues

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions.

Concentration of Income Sources

During 2021, the Board received 100% of its total revenue from two contracts with the Florida Department of Agriculture and Consumer Services Division of Administration.

Income Taxes

The Board is currently exempt from state and federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, accordingly, no provision has been made for income tax liabilities or expenses. The Board's Form 990, *Return of Organization Exempt from Income Tax*, is subject to examination by the IRS, generally for three years after they are filed.

It is the policy of management to evaluate its tax positions on an ongoing basis and to disclose any such positions it believes would have a material impact on the financial statements and related notes. Management also believes that no such required disclosures currently exist.

The Board is subject to U.S. federal or state income tax examinations for the previous three years. If applicable, the Board would recognize interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expense.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

CATTLE ENHANCEMENT BOARD, INC.
NOTES TO FINANCIAL STATEMENTS
KISSIMMEE, FLORIDA

Prior Year Comparative Totals

The financial statements include certain prior year summarized comparative information in total, but not by function. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Board's financial statements and notes for the year ended June 30, 2020, from which summarized information was derived.

Note 2 - Cash and Deposits

The carrying amount of deposits with the bank was \$415, and the related bank balance was \$415 as of June 30, 2021.

Note 3 - Related-Party Transactions

Both the University of Florida and the Board share a common focus on improving the Florida cattle industry. The University of Florida provides certain administrative services to the Board and is also the recipient of funding for various cattle related research projects. In 2021, the Board incurred \$12,031 in administrative expenses and \$86,372 in research project expenses payable to the University of Florida. At June 30, 2021, the Board reported due to grantee to the University of Florida of \$0.

Note 4 - Concentration of Revenue Sources

The Board receives all of its funding from the Florida Department of Agriculture and Consumer Services Division of Administration (the Department) through a grant that is renewed annually. In the event funding is terminated, the Board's ability to continue as a going concern would be greatly diminished. The Board's funding was not renewed for the 2020-21 fiscal year, leading to a significant decline in operations for the year. Subsequent to year-end, the Board received a \$750,000 award from the Department for the 2021-22 fiscal year.

Note 5 - Subsequent Events

In preparing these financial statements, the Board has evaluated events and transactions for potential recognition or disclosure through February 9, 2022, the date the financial statements were available to be issued.

**ADDITIONAL ELEMENTS OF REPORT PREPARED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*,
ISSUED BY THE COMPTROLLER GENERAL OF THE UNITED STATES**

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Cattle Enhancement Board, Inc.
Kissimmee, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Cattle Enhancement Board, Inc. (the Board), a non-profit organization, which comprise the statement of net position as of June 30, 2021, and the related statements of revenues, expenses and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 9, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Board’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Board’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Board’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Cattle Enhancement Board, Inc.
Kissimmee, Florida

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Board's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Board's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Board's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
